1. [REDACTED] called recently about the next Midcareer Course. He suggested Wednesday, 5 October, for DDS&T participation. How does this date appeal to you? If OK, I will confirm it [REDACTED] and notify the DDS&T panel members to show it on their calendars.

2. [REDACTED] asked your opinion on the possibility of our panel members giving a brief talk of 15-20 minutes each on their office operations. They would still form the panel in the evening sessions. What do you think of this idea? I would like to discuss it with you at your convenience.
